Welcome

Welcome to our home! Thank you for choosing us for your stay. It's a pleasure and a privilege to be your hosts. We hope you enjoy this place as much as we do and create unforgettable memories with your loved ones. Make yourself at home!

AranEtxea is our life's project. Where creativity and the desire to do different things drive us and help us improve day by day, where trying new things doesn't mean saying no. We're aware that we still have many things to do and improve, but due to its great success with visitors, we're not moving as quickly as we'd like. We're starting in June 2024, and we've already improved the apartment with a second bedroom and heating and air conditioning throughout the apartment during this time. We still need to finish many details and renovate the pool, but we're convinced we'll achieve this by 2026. And we'll continue to improve, perhaps adding a jacuzzi, a sauna, or heating the pool...

Meet The HOST

HELLO FROM LORENA, ARAN AND JOSE MANUEL!

When we saw this property, we didn't hesitate for a second to fall in love with it—the surroundings, the views... It's been 7 years of sacrifices, weekends, and vacations to share this magnificent place with our guests. We hope you enjoy it as much as we do every day.
